

why are you allowing Sinclair Broadcasting to break federal law? They are being allowed to commit felonious acts by the FCC. What happened to the FCC? why did they turn so racist and anti-black Americans? Have they been taken over by the KKK?

There is not a good thing on TV these days. Everything is garbage...lots of foul language and everything is sex...sex...and more sex. Television is nothing for children to see anymore. They learn enough bad things in the public school system.

Sinclair Broadcasting's actions to force their stations to run smear ads on the Kerry campaign are very much like the tactics used by Hitler's Nazi Germany in order to spread propaganda. We need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

Furthermore, It would be a very un-American to allow Kerry-smear ads to be broadcast solely for their greedy purposes. Any of these crooked corporations deserve the same fate that Dillinger got, because they are no more than organized criminals. Just think of all the innocent Americans that the Fascist Bush regime's politics (and their greedy supporters) have cause the deaths and maimings of.

WE NEED AN HONEST MAN IN THE WHITE HOUSE
AND NOT A GREEDY WARMONGERING BLOOD-FOR
OIL, WEAK-MINDED LIAR THAT TOOK THIS COURTY
TO WAR ON A PACK OF LIES.

Thank you.
